Shihan Kalman Furko 8. dan Kyokushin karate master MOB recognition

To: Shihan Koen Scharrenberg - EKO President

Dear President!

We would like to inform you that Shihan Kálmán Furkó, one of the most important founding masters of Hungarian karate, received a special recognition again.

He was elected to be an honorary HOC member by the Hungarian Olympic Committee (HOC) based on his commitment and work in karate (based on the proposal of the Hungarian Karate Federation (HKF)).

This membership is such a high level of recognition that only the most outstanding sports leaders, politicians and Olympic medallists of Hungary can receive this honour.

In recognition of his work in promoting karate in Hungary, Shihan Kálmán Furkó received the outstanding HOC Medal of Merit in 2014.

This year he received another honour, the honorary HOC membership, for which we sincerely congratulate the master.

We wish Shihan Furkó further successful work and good health on the Way of Karate!

Dear Mr. President!

If it is possible, we would like to kindly ask You to post this news on the EKO's website.

Best regards and wishing good health to you and all members of the organization.

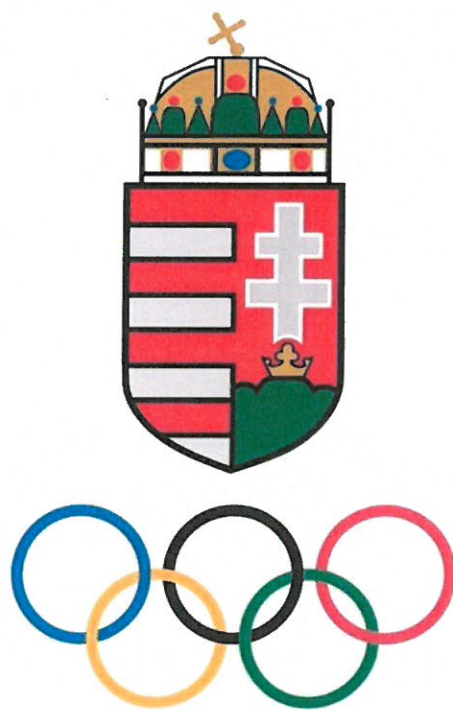

Dr. János Mészáros
President of Hungarian
Karate Federation (HKF)

Árpád Kalmár
General Vice President of HKF

A MAGYAR OLIMPIAI BIZOTTSÁG ALAPSZABÁLYA
