NEW: Head, torso, leg touch (undressing): on request, we do head, torso, leg touch, fights with children. What is new is that the foot touch is done with feet. You can touch the other person's foot with your foot (later on, this movement becomes the meageri). If you would like to start your team in this event, please write "head, torso" in the comment field of the entry program (check if the system has saved it). If you don't do this, you can't complain later (especially not after the draw has been made)! Unfortunately there have been several examples of this and it has caused the tournament to stop. Thank you for your understanding.
